

Dexter Carpenter

Mechanical Engineering Major

503-964-9532 | dextercarpenter1@gmail.com | github.com/DexterCarpenter

Overview

I'm a fifth-year engineering student at OSU looking for work over the Summer. I have a passion for design, physics, math, and robotics. I am looking to teach primarily math tutoring at all high school levels, as well as college level calculus. I've developed an interest in mathematics and am eager to teach. I have tutored high school students through OSU and have privately tutored students 1-on-1 from calculus to middle school math. I am happy to tutor anyone who wants help, regardless of how much they may hate math.

Work Experience

Educator

- Math & Science tutor for High School Equivalency Program at OSU, Sept 2020 – Jan 2021
- Private math tutor, Summer 2020 - Present
- FIRST LEGO League Mentoring, 2019 season
 - Led two middle school teams in strategy, analysis, project
 - *Tournament Director* for practice FLL tournament, December 2018

OPeN Lab Project Lead (Oregon State)

- Project Lead for '[FloDar Project](#)', Jan 2021 – Nov 2022

FIRST Robotics, FRC Team 2733, 2016-2019

- Team Co-Captain, 2019 Season
 - Managed whole team alongside co-captain

BioMechanica Internship, BioMechanica LLC, Summer 2017

- Asked to create a way to interface a treadmill to a Raspberry Pi as a summer internship
-

Education

Oregon State University, Corvallis Campus (Mechanical Engineering) – GPA: 2.76

- Notable Coursework:
 - MTH 265 (Introduction to Series)
 - MTH 341 (Linear Algebra)
 - MTH 351 (Introduction to Numerical Analysis)

Portland Community College

- Machine Shop Class, Summer 2017
 - Learned how to operate CNC Mill, Lathe, Mill, Drill Press, 3D Printers, Basic CAD and CAM

Cleveland High School, Portland OR – GPA: 3.725

Graduation Date: June 2019

- Notable Coursework:
 - IB Physics and Biology HL, 2 years ea.
 - IB Computer Science and Math, 4 years ea.
 - Honors and Awards
 - Recipient of IB Thinker Award - 2015/2016 School Year
-
